Dear Parent/Guardian

**RE: ONLINE LEARNING GUIDELINES**

Thank you for choosing to be part of the Kagaki Family. Effectiveness for Productivity is our motto, while in God we trust.

The current global crisis, caused by the corona virus, has forced our children to stay home. We at Kagaki came up with online learning procedures, to facilitate the continuity of education, knowing that education is not only preparation for life, but is life itself. We therefore welcome you to join us in our online classes, as we strive to create a bright future for the young ones, through excellence in their education.

We hold live classes for upper primary (Grade 4 – Class 8), coupled with class work and exam papers, every day. For Pre-primary and Lower primary, we have recorded classes that are watched by the children, and class work given out every day.

Our timetable is very friendly with those who have more than one child, in that no live classes overlap. This enables them all to be able to use one gadget (e.g. mobile phone, tablet or laptop) to access the classes.

We also, through Safaricom, have offers on data bundles, and mobile phones that can be used to facilitate the online learning for your child.

Kindly contact us for more details, through our office number, 0717 736 675, Messenger on Facebook, or email us, [info@kagakischool.sc.ke](mailto:info@kagakischool.sc.ke). We would be glad to have you.

Regards;

.....
